

July 28, 2017

Dear Vendors:

The Florida Dance Education Organization (FDEO) will host their 2017 Conference “***Focus on Dance Education: Versatility and Diversity in Dance***” Miami Beach at the Miami City Ballet October 19-21. I would like to take this opportunity and invite you to participate in this exciting event. As conference’ chair and FDEO board member, I encourage you to take this opportunity to network and promote your store and services as well as represent the Miami Dade dance community. All vendors will have a designated area at the Miami City Ballet. The fee for vendors is only \$100.00. You may bring any style of display, costume samples and dance supplies. We will have many students and teachers that might need supplies on-site. The conference brings educators and dancers from across the State of Florida to work together in meeting the challenges of bringing dance to the next generation of young artists.

The Florida Dance Education Organization, an affiliate of NDEO, is a growing organization that provides several kinds of services and information for dance educators. Each year in October, FDEO presents an educator’s conference featuring guest speakers, round table discussions, networking sessions, and a performance by local artists or the National Honor Society for Dance Arts Florida Chapters. The annual conference is the main gathering for the organization as well as the only staff development opportunity in the state. Beyond recognition of dance educators and professionals, FDEO honors student achievement and accomplishments. FDEO is a young organization that is rapidly developing to meet the needs of the public and private dance educators across the state.

Please complete the application to reserve your space at the 2017 FDEO Conference. Fill out your application and pay on line at www.fdeo.org.

We will email you a confirmation and provide you with your receipt at the conference.

If you need further information, contact me at (813) 625-9539 or via email: corinneacolon@gmail.com

Sincerely,

Corinne Colon

FDEO Board Member and Conference Chair
